Memories - Shiv Harsh

चिकित्सा विधालय में उत्तीर्ण होने के पश्चात् मैं सपत्नी इंग्लैंड चला गया। वहां 5 वर्ष काम करने एवं डब्लू करने के पश्चात् मैं और रेणुका अमेरिका आ गए। यहां मैंने हृदय रोग में और शिक्षा प्राप्त की और 1986 में हम लोग नॉर्थ कैरोलाइना आ गए। जहां मैं हृदय रोग विशेषज्ञ के रूप में कार्यरत रहा। आजकल मैं सेवानिवृत्त हूँ। लिखने पढ़ने की पुरानी रुचि को आगे बढ़ा रहा हूँ। अब तक मैंने 7 पुस्तकें लिखी हैं जो ।ज्ञवद के ।पदकसम पर उपलब्ध है। पढ़ने के क्षेत्र में गीता और वाल्मीकी रामायण सर्वोपरी है। मेरे जीवन की सबसे बड़ी उपलब्धि है मेरे बचपन का पुनः लौट आना मेरे बच्चों के बच्चों के साथ खेलकर।

Memories

After finishing my Internship, I left for England with my husband. There, my daughter was born. I got busy as a firsttime mother, but still managed to work for some time in Rheumatology. In 1982, our family moved to New York, where I finished a Residency in Pediatrics, followed by specialized training in Ambulatory Pediatrics. I then went on to complete a Fellowship in Developmental Pediatrics at Cornell University, New York.

Our son was born in New York, and we then moved to North Carolina in 1986. We still live in North Carolina and I still work as a American Board certified Pediatrician.

After 26 years in Asheboro, North Carolina, we have now moved to Cary, North Carolina, to be close to our son and grandchildren who have moved to Chapel Hill, just about 20 minutes away from Cary.

In addition to enjoying time with my grandchildren, I enjoy pottery and painting.

My biggest satisfaction is seeing my grandchildren grow up, and also the smile I see on a sick child's face in my office after getting better following an illness.
