Memories

After completing my MBBS, I pursued postgraduate training in Obstetrics and Gynecology at Zanana Hospital in Jaipur, earning my MS (Ob/Gyn) in 1980. I then practiced in New Delhi before moving to the United States in 1983. Once in the U.S., I transitioned to the field of Pathology, practicing first in Chicago and later in Ohio. I served at Wooster Community Hospital until my retirement in 2025.

I still fondly remember my days in Jaipur—picnics with friends, long study sessions in the hostel halls, and the joy of growing and learning together. Those remain some of the most cherished memories of my life.
